

ABOUT THIS EVENT

The Recycling Collection Event, held twice a year, allows Kirkland residents to dispose of recyclable items that are not normally accepted during weekly recycling collection service or through product stewardship programs. Instead of ending up in the landfill if thrown away as trash, all items collected at the event will be reused or recycled.

Funding is provided by King County Solid Waste Division and the Local Hazardous Waste Management Program in King County.

For more event information, alternative formats, or disability accommodations, Kirkland residents can call (425) 587-3812. For King County residents, call (206) 477-4466 TTY Relay: 711.

HAZARDOUS WASTE

Oil-based paint, pesticides, herbicides, solvents, thinners, chemicals, and cleaning products are considered hazardous waste and are not accepted at this event. Instead, bring them to the following places for proper disposal:

Give an old bike new life and support Bike Works programming!

Bike Works will be onsite to accept bikes, bike parts, and bike accessories. Bike Works is looking for bikes in good condition - such as 20" wheel youth BMX style bikes as well as 24" and 26" wheel adult mountain bikes. Road bikes of any size are welcome (especially smaller road bikes). Some bikes/parts donated may be recycled as metal.
